

THE ROYAL CANADIAN GEOGRAPHICAL SOCIETY

Nomination for the College of Fellows

Fellows are elected to the Society's College of Fellows and are entitled to attend and vote at any Annual General Meeting of the College. According to the Operating Bylaw of the Society, Fellows "are expected to promote the objectives and interests of the Society." Thus, nomination and election to the College is intended to secure active support for the Society and is not solely a means to honour individuals.

The Fellows Committee invites nominations of worthy candidates with appropriate backgrounds who are willing and able to serve the Society. **Completed nominations must be received by August 15 to be considered.**

Please provide the following information for each candidate you wish to have considered by the Fellows Committee for election to the College of Fellows.
